

## Diesel Mechanic – Day and Night Shifts Available

Work in a small, but expanding fast-moving team environment with a short turnaround time for getting trucks and trailers ready for the next morning's routes. Duties performed by the team include basic servicing to maintain the equipment, performing brake jobs, doing trailer repairs, clutch adjustments and repairs, cooling system repairs, and more. Internal, on-the-job training is done to help improve the team, and additional outside training may be available as training opportunities come available with our partners, or as needs dictate.

H&S Enterprises, Inc., works exclusively with Cash-Wa Distributing and delivers to their customers. Cash-Wa Distributing is one of the largest privately-owned food service distributors in the Midwest. Their continued growth of current and new markets has continued to increase the stops and routes performed by H&S Enterprises which providing additional opportunities in the maintenance team! Join a growing team that focuses on relationships.
