

Harvest Program

14-Day Emergency/Disaster Menu Cycle For Health Care Facilities

Federal & State regulations outline requirements for facilities to implement emergency preparedness plans. These plans must include "the provision of subsistence needs for staff and residents, whether they evacuate or shelter in place, include, but are not limited to the following: Food, water, medical, and pharmaceutical supplies..." (42 CFR Part 482.15; 483.73)

The CWD Emergency/Disaster Menus were developed to provide our customers with a resource to assist in implementing their disaster plans. The menu package includes:

- 14 days of menus (breakfast, lunch, evening meals) written with shelf stable food products. Menus do not include therapeutic diet modifications.
- Purchase guides for each day
- Additional items needed including fluids for hydration, paper products, paper goods, snacks & supplements as well as condiments.

Emergency/Disaster Menu Cycle Package

- Available at no cost to CWD Prime Vendor Accounts (purchasing 75% or more of their foodservice products from CWD)
- Accounts not qualifying for the CWD Prime Vendor Status will be billed \$50 for the Emergency/Disaster Menu Package.
