Re: Diamond Crystal Brands

CWD has been notified that Diamond Crystal Brands is recalling certain Instant Vanilla Pudding Mix as they may be contaminated with Salmonella. There have been no complaints of illness reported to Diamond Crystal Brands to date in connection with these products.

The following product stocked by CWD are impacted by this recall:

CWD #40300 – PUDDING VANILLA INST DC 53165 , Lot Code: 316JDA

This recall is limited to these products & no other products are included in this recall.

Our records indicate that you may have received some of the recalled product. Please check your inventory. **If you have product in stock with the above production dates, please isolate it and call your CWD DSC (or the CWD Credit Hotline at 800-652-0010 ext. 7159) in order to request pick up and credit.**

We will need the following information in order to process your pick up and credit request: CWD item Number, the Code Date on your product, and the amount of product needed to be picked up. Please package any product to be returned in a box & label with your CWD Customer Number & Name to expedite credit. Requests for pick up/credit must be received by CWD no later than December 6, 2018.
