Sweet Source™

— CAKES & CONFECTIONS —

Breakfast, lunch, dinner, or pick any time in between, satisfying your sweet tooth isn't simply controlled by a clock or even conventional wisdom. As the adage goes, the heart wants what the heart wants...well, the same goes with your cravings. Maybe you are considering a slice of chocolate cake, brownie, and/or cheesecake with your first cup of coffee in the morning. We get it and we say, "Go for it!". If you don't, it will be on your mind until you finally indulge, and you know that's true. So, if you are thinking about a second piece, go ahead...we won't judge.
