

Dear Customer;

Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 requires schools and institutions participating in the NSLP and SBP in the contiguous United States to purchase to maximum extent practicable, domestic commodities or products for use in meals served under the program.

The legislation defines “domestic commodity or product” as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States.

We **Dole Packaged Foods, LLC** certify that the percentage of U.S content in the following products have at least **0%** US content. These products are not produced or manufactured in the US in sufficient and reasonable available quantities of a satisfactory quality.

Dear Customer:

Dole Packaged Foods, LLC purchase fresh strawberries from California, Mexico, Chile, Argentina and Peru and process in our California, Georgia, or Michigan plants. The main reason for buying from Mexico and South America is that the fruit is available earlier and it helps extend the overall supply of frozen strawberries. We buy from Mexico and South America to supplement the volume we purchase from California.

Please let me know if you have any questions.

Best Regards,

Nicky Kahn
