

Foodservice Division

*Hormel Foods Sales, LLC
1 Hormel Place
Austin MN 55912-3680*

January 1, 2025

To whom it may concern;

This is to certify that all of our Jennie-O Turkey Store products are manufactured in the United States at our facilities. Additionally, all of our birds are grown in our farms also located in the United States. We certify that our products contain over 51% United States of America contents as required by the Richard B Russel National School Lunch Acts, and the Buy American Provision per the Berry Act.

Best Regards,

A handwritten signature in blue ink, appearing to read "J M Johnson", written over a light blue circular stamp.
