THE FUTURE OF FOOD

Date: [February 18, 2026](#)

This is to certify that the products manufactured by C.H. Guenther & Son, LLC are in compliance with Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998, (Public Law 105- 336) that requires schools and institutions participating in the NSLP and SBP in the contiguous United States to purchase, to the maximum extent practicable, domestic commodities or products for use in meals served under the programs.

The legislation defines "domestic commodity or product" as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States. "Substantially" is defined as over 51 % of the final processed product consists of agricultural commodities that were grown domestically.

If you have any questions, please do not hesitate to contact us.
