Elevation Series™ Modular Ice Makers & Storage Bins

- Sealed food zone
- Produces half, full and Grande cubes
- Dual exhaust
- Parts snap in and out and are dishwasher safe
- One touch to sanitize, one touch to de-lime, with LEDs that signal when cleaning is required
- Uses R-404A refrigerant
- Air-cooled condenser
- 3-year parts/labor warranty, 5-year parts warranty on evaporators and compressors
- Additional sizes & models available

Ice-O-Matic 
Ice. Pure and Simple

MFG# DESCRIPTION

ICE MAKERS - 22¼" WIDE

CIM0320A	313 lb Ice Production
CIM0520A	561 lb Ice Production

B55PS	510 lb Storage Capacity, 30"w

Ice Production is based on 24 hr at 70° Air/50° Water Temperatures

Water Filter Assembly

- Provides protection against unpleasant taste, odors and scale formation
- Water filter manifold designed for ice makers producing up to 1,000 lb of ice per day
- Reduces maintenance frequency and cost and extends equipment life
- Improves equipment operating efficiency
- Replace every 6 months

MFG#	DESCRIPTION
IFQ1	6"w x 4"d x 15"h

Buy a new Ice-O-Matic Water Filter System with a new CIM Elevation Series Cube ice maker, replace the cartridge every 6 months, and Ice-O-Matic will extend the limited cuber evaporator warranty to 7-year parts and labor.

Ice-O-Matic 
Ice. Pure and Simple

Self-Contained Cube Ice Makers

- Space-saving undercounter design with a front-breathing, air-cooled condenser
- Produces full cubes (HA) or full cubes (FA)
- Harvest assist provides consistent ice production 24/7 by pushing the ice into the bin rather than waiting for gravity to overpower the scale
- Pure ICE®: Built-in antimicrobial protection for the life of the ice maker prevents bacteria and slime fungus growth
- Constructed from corrosion-resistant stainless steel and fingerprint-proof plastic
- 3-year parts and labor warranty, 5-year parts warranty on evaporator and compressor

Ice-O-Matic 
Ice. Pure and Simple

ICEU150HA or FA	24½"w, 238 lb Ice Production, 74 lb Storage
ICEU220HA or FA	24½"w, 251 lb Ice Production, 74 lb Storage
ICEU300HA or FA	30½"w, 356 lb Ice Production, 112 lb Storage

Ice Production is based on 24 hr at 70° Air/50° Water Temperatures

Indigo® NXT Modular Ice Machines & Storage Bins

- Stainless finish with DuraTech® exterior, resists fingerprints and dirt
- Produces full size dice cubes
- Air-cooled, self-contained condenser
- Easy-to-clean foodzone features select components made with AlphaSan® antimicrobial
- Acoustical ice-sensing probe allows for reliable operation in challenging water conditions and environments
- Intelligent diagnostics provide 24-hour preventative maintenance and diagnostic feedback with an easyTouch™ icon-based touchscreen display
- Uses R-410A refrigerant
- 3-year parts & labor warranty on ice maker, 5-year parts & labor warranty on evaporator, 5-year parts/3-year labor warranty on compressor
- Additional sizes & models available

Scotsman®

SSM Plus Water Filtration System

- Ultrafine half-micron filtration, combined with food-grade polyphosphate, assures that chlorine, off-tastes, odors and particles stay out of your ice
- For cubers up to 650 lb and flakers, nuggets and nugget dispensers up to 1200 lb
- 1.67 gpm
- Features AquaArmor with AgION, a silver-based antimicrobial compound that reduces the growth of bacteria, microorganisms, algae, mold and slime on ice machine surfaces, preventing premature clogging

MFG# DESCRIPTION
SSM1-P 5½"W x 4¾"D x 30½"H

Prodigy® Undercounter Cuber

- Produces medium cube ice
- AutoAlert™ control panel can communicate operating status and signal when it's time to descale, sanitize and more- making upkeep easier
- The patented WaterSense adaptive purge control delivers maximum reliability by reducing scale buildup for a longer time between cleanings
- Easily-removed door, top panel and storage bin allowing clear access to all internal components and a diagnostic code display ensuring the right fix the first time
- Includes ice scoop, 6" adjustable legs and 6' power cord
- Air-cooled condenser
- Uses R-404A refrigerant
- 30"W x 30"D x 33"H
- 3-year parts and labor on all components, 5-year parts and labor on the evaporator, 5-year parts on the compressor and condenser

DESCRIPTION
3 Shelves, Holds up to (6) ½-Barrels

Indoff Wire Shelving & Accessories

- The open wire design of these carbon-steel shelves minimizes dust accumulation and allows a free circulation of air, greater visibility of stored items and greater light penetration
- A tapered split sleeve snaps together around each post
- Assembled in minutes without the use any special tools
- Shelves can be loaded/unloaded easily from all sides
- Shelves can be adjusted at 1" intervals along the entire length of the post
- Chrome finish
- Bolt levelers compensate for surface irregularities on stationary posts

140331	KP97RD	3 qt, Red
143059	KP256RD	8 qt, Red

Sertun™ Rechargeable Sanitizer Indicator Towels

- Have confidence you're sanitizing with just a quick glance into your sanitizer bucket!
- As the towel deploys Quat, the color changes from blue to yellow, indicating there is not sufficient sanitizer in the towel
- By placing the towel back into your sanitizer solution, the towel recharges, and turns blue again—when the towel does not turn blue, it's time to change the sanitizer solution
- Works with quaternary ammonia (Quat) only
- Use with your red bucket system
- 13½" x 18"
- Yellow/White checkerboard pattern

CASH-WA # MFG # DESCRIPTION
83042 9650 50 Towels per Box

Griddle Screen Holder
