To Whom It May Concern:

**RE: Buy American Act – Mondelēz – 2026-2027 School Year**

**US-manufactured products**

In accordance with the Buy American Act, the one (1) product listed below is manufactured in the **United States** and meets the Buy American Act requirements:

- **Teddy Grahams-Honey** – 19320003059

The five (5) products listed below are manufactured in the **United States**. We are committed to local sourcing. Nevertheless, to ensure a consistent supply of high-quality flour and sugar, our suppliers source wheat from both the United States and Canada, while sugar is sourced from both the United States and Brazil. The exact proportions of wheat and sugar from each country may vary depending on availability and crop yields at the time of processing, as wheat or sugar blending may occur.

- **belVita Blueberry** – 4400002908
- **belVita Snack Pack Cinnamon Brown Sugar** – 1932000276
- **belVita Cranberry Orange** – 4400006954
- **Honey Maid Lil Squares-Honey** – 1932000166
- **Teddy Grahams-Cinnamon** – 1932001670

**Canada-produced products**

The following five (5) products are produced in **Canada**, but they may meet the Buy American Act Waiver\* provisions:

- **Nabisco Graham Crackers** – 1932001367
- **RITZ Crackers 2 Count** – 1932001658

\*There are two situations that may warrant a waiver for products produced outside the United States: 1) When the product is not produced or manufactured in the United States in sufficient and reasonable available quantities of a satisfactory quality and 2) competitive bids reveal the costs of a U.S. product is significantly higher than the foreign product.
